Panels

467/1 - W: 54 cm; H: 36.5 cm 467/2 - W: 55 cm; H: 37.5 cm

Inv. no. 467/1-2

Two panels decorated with restrained geometric motifs. Their scale, proportions, and intricate interlocking joinery, clearly visible on the reverse, suggest they were originally part of a smaller woodworked object, such as a cupboard, chair, bench, lintel, or possibly a component of a minbar.
